

The International Institute of Medical Qigong and Henan University
Medical Qigong Practitioner Training

Introductory Evening Thursday April 7 7:30 - 9:30 pm

Sourcepoint 3261 Heather St. \$10

Earn a degree in Traditional Chinese Medicine through the study and practice of Qigong.

Medical Qigong Classes for energetic skill development and personal healing for both health care professionals and lay persons, optionally leading to certification as a Medical Qigong Practitioner, Therapist and Master.

We will utilize "Chinese Medical Qigong Therapy" Volumes 1 through 4, by Professor Jerry A. Johnson, founder of the International Institute of Medical Qigong.

What is Medical Qigong?

Medical Qigong is an ancient form of Chinese Energetic Medicine, dating back at least 5000 years. It is one of the four branches of Traditional Chinese Medicine. Qigong therapists today must utilize and master the secret knowledge passed down from the Wu Yi, Qigong metaphysician healers of ancient times.
